This is our 8th campaign in Birmingham. Many hearts have been opened, babies' lives spared, Mothers and Fathers saved from a life of regret. All the

events of this campaign are prayerful, peaceful, legal and life-changing. Even though you consider yourself pro-life, you can never understand the impact of abortion on women, on families and on our nation until you pray at an abortion mill. Through the many graces you receive, you will come to know the joy of witnessing with many other like-minded friends. Many people drive 60 miles or more for this opportunity. It is truly a blessing. Please don't miss out!

Please, come, stand with me!

If My people who are called by My Name humble themselves, and pray and seek My Face, and turn from their wicked ways, then I will hear from heaven, and forgive their sin and heal their land. (2 Chron 7:14)

40 DAYS FOR LIFE™

40 Days for Life is a grassroots, interdenominational, nationwide campaign to open hearts to the sanctity of human life and the horror of abortion.

40 Days for Life is a focused pro-life movement with a vision to access God's power through prayer, fasting, peaceful vigil at an abortion center, and community outreach.

The mission is to bring together the body of Christ in a spirit of unity, in repentance, to seek God's favor to change minds and hearts from a culture of death to a Culture of Life and to end abortion in America.

The 40 Days for Life campaign is based on a three-point program of

ADOPT-A-DAY

Inspire and motivate those in your local church by challenging them to "Adopt a day for 40 Days for Life".

Pick a day between 02/22/2012 and 04/01/2012 and then spread the word and post an hourly signup sheet in a common area. You can even ask them to spiritually adopt all those mothers and dads and babies who will pass through the doors of Planned Parenthood on that day and raise them up in prayer.

Invite your pastor to join you on your church's day and publicize the event to keep 40 Days for Life growing and effective in the prolife movement.

Memories from the sidewalk:

"I give thanks to God for these 40 Days, for the wonderful organizers and the faithful prayer warriors who come out every day and every week. It was such a blessing to have company on the sidewalk each time that I was there and meet wonderful new friends! God is so good and hearts and minds are changing in favor of life every day because of His Love and Mercy working through us!"
