SAMPLE BULLETIN ANNOUNCEMENT:

Buffalo 40 Days for Life Campaign.

Join us, as over 200 cities across America and internationally engage in a spiritual campaign of prayer and fasting to end to abortion and to obtain healing for all those touched by it! It runs from **September 22 through October 31**. In the past three years, more than 50 babies and moms were spared right here in Buffalo, and many people were inspired to find healing in God, through the efforts of His faithful people and the witness of over 500 vigil participants. We only ask your prayers and fasting, but you may feel called to do more: Could you sacrifice 1 hour to pray at our peaceful, lawful 40-day Prayer Vigil outside of the Buffalo WomenServices Clinic at 2500 Main St.? It is at Main and Rodney, near Fillmore. Or could you help us reach out to our community?

For more information, contact your church contact, _____ at _____, phone number _____ or e-mail Buffalo40DFL@gmail.com, or on-line at www.40daysforlife.com/buffalo. All are welcome! Sign up online for daily prayer intentions!

SAMPLE PULPIT ANNOUNCEMENT: Please consider making this announcement to your flock.

From September 22 through October 31, Christians throughout Buffalo are invited to take part in the national 40 Days for Life spiritual campaign, held simultaneously all across America. We will pray and fast for 40 days to end abortion and to bring healing to those touched by it. Please sign up to pray and fast at home, and consider giving one hour or more in prayerful, peaceful, lawful witness outside of the Buffalo WomenServices Clinic on Main Street in North Buffalo during the 40 days. Help spread the word to others about this life-saving effort.

Over the last three years, over 50 babies were saved from abortion right here in Buffalo, and numerous people were inspired to find healing in God, because His faithful prayed and fasted, and some 500 people stood in peaceful, prayerful vigil.
