40 DAYS FOR LIFE™

Very soon Fort Wayne, South Bend, Indianapolis, and 170 other cities across America will begin to hear the phrase "**40 Days for Life**". This phrase will not only be heard in our Church; but in 160 other Churches in our area as well. People will read about it in their bulletins, and newspapers, hear about it from the pulpit, and Bott and Redeemer Radio. You'll see it on billboards, yard signs, banners, wristbands and T-shirts all around our community.

40 Days for Life!!!!

What is it?????

40 Days for Life is an ecumenical community campaign that draws attention to the evils of abortion in our city on Inwood Drive through the use of a 3 point program:

- 1. Prayer and fasting**
- 2. Daily Prayer Vigil - prayerful, peaceful, and lawful at Inwood Drive clinic**
- 3. Community outreach (public awareness)**

For 40 days September 24 – November 2, the people of Ft. Wayne will unite their prayers with thousands across the nation in prayer and fast, to show our sorrow, and plead for God's help in ending abortion.

The Respect Life Committee will promote opportunities for parishioners to volunteer to be part of this historic event. We will be asking for volunteers to help with the following:

- * Prayer and Fast at home and/or in the Perpetual Exposition Chapel
- * Spreading the word (put out a yard sign) ordering T-shirts for teen youth groups
- * Attending one of three (3) rallies to be held Sept 21, Oct 5, and Nov 2
- * Participate in the daily prayer vigil outside the abortion clinic on Inwood Drive

As the time approaches to volunteer, more information will be made available after Sunday Masses, in the bulletin, and on the radio, Redeemer, and Bott. In the meantime please look at the websites below to learn more about 40 Days for Life.
