

40 DAYS FOR LIFE PRAYER
EUCCHARISTIC PRAYER
7:00 A.M. to 5:00 P.M.

As Catholics, we believe the most powerful prayer in the world is **EUCCHARISTIC PRAYER**, prayer during the sacrifice of the Mass, prayer after receiving Holy Communion, and prayer to our risen savior in His real but hidden presence in the Blessed Sacrament..... *“Our own human resources are entirely inadequate. Divine grace is absolutely necessary to stop abortion. All graces come through Jesus Christ in His human nature. The primary source of these graces is Holy Mass, Holy Communion and Holy Adoration of our Lord in His Real Presence...”* To read more on this clear vision, click on: [There is No Stopping Abortion Without the Eucharist](#)

Our special focus is that we might be faithful and pleasing to God by saving the physical lives of God’s precious infants through the spiritual conversion of their mothers and fathers, for the abortionist and their staff, for our politicians and for all who through indifference do nothing to try to stop abortion. Our prayers also provide spiritual and moral support for our sidewalk counsellors at the vigil site. Our prayers are also to provide a personal love to God’s infants who will die that day at 65 Bank Street.

Whereas this Eucharistic Prayer one can done in any Catholic church, St. Pats Basilica offers a unique venue: for. It is opened 10 hours a day (7 AM to 5 PM), with four weekday Masses with confession time available before masses; additionally, it is located about a 5 minute walk from the abortion mill on Bank Street. It is our hope that the regular weekday parishioners of St. Pats, as well as those who are unable to be at the vigil site, or those taking part in the vigil but who want to spend some time before or after, in front of the Blessed sacrament, will help with this initiative. No sign-up necessary.

WEEKDAY VIDEO AND DISCUSSION
1:00 P.M. to 3:00 P.M. in Scavi

The battle against abortion is a spiritual battle. To be effective in this battle, we need to know the nature of the battle and follow the battle plan, using the weapons given us, while being aware of the strategy of the enemy. The victory is ours but we must take it. With this in mind, we will be offering a video daily during the weekdays at 1:00 pm in the Scavi. The focus will be on Mary, The Eucharist, The Rosary, Prayer, Fasting, Adoration, the Saints etc., linking these with the call to The 40 Days for Life campaign. See website for video schedule.
