

Before calling, consider saying the following prayer, from Psalm 19:

“Let the words of my mouth meet with your favor, keep the thoughts of my heart before you, Lord, my rock and my redeemer.”

Hi, my name is _____ and I'm calling about a nationwide prayer campaign called **40 Days for Life** that is happening in Reno this Fall. Are you familiar with 40 Days for Life?

Forty Days for Life is first and foremost a prayer campaign, committed to pursuing peaceful solutions to the violence of abortion and showing compassion and Christ's love to all.

Starting September 24th we begin 40 days of community wide Prayer & Fasting; Constant Vigil at the West End Abortion Site, at 5915 Tyrone Rd. in Reno; and Community Outreach through-out our region.

We are hoping that you and your congregation will join us in this effort. We are looking for churches in the area to **commit to a vigil day** during the campaign, and to pray for the intention of saving babies from abortion.

Would you be willing to **Adopt a Day** at the Vigil site, as we **Pray to End Abortion**?

(If so,) When can we schedule a Vigil Sign-up Sunday to fill your adopted day?

Will you commit to Pray to End Abortion with a prayer group in your congregation?

(If NO to the previous requests -) Will you set aside some time yourself to **Pray to End Abortion**, with another likeminded person?

If you are interested in being involved corporately,

Do you have a **contact person** in your church with whom we can communicate about this campaign, preferably someone who has a strong interest in Pro-Life causes?

Would you feel comfortable sharing **the time and place of your prayer group time on our website**?

May I have your **contact information**? (email, direct phone line, address, website)

May we **list you as an endorsing Pastor** in our literature? (if so, please send a one paragraph endorsement along with a head shot photo to renotahoe@40DaysforLife.com.)

May we send you **updates via e-mail**? (If yes -) During the campaign you have the option of receiving daily or weekly updates, which would you prefer?

If you want additional information on the campaign, you can go to the national website at:

www.40DaysforLife.com (“four zero” days “F” “O” “R” Life dot com)

Our local site is: www.40DaysforLife.com/renotahoe (renotahoe all lowercase)

The nationwide campaign will be held in 173 cities, including campaigns in 45 states, Washington DC with 15 states having 5 or more campaigns. Texas has the most campaigns with 19, and California will be holding 11 campaigns. In Nevada, this Fall Las Vegas will be joining us as we **Pray to End Abortion**.

We would be happy to have your church work with us on community outreach as you feel called. We can provide you with **local Pro-Life speakers**, ideas for a campaign to support the **local crisis pregnancy center** or **teen mother program**, and **abortion healing programs** for anyone who would like to experience the love and forgiveness of Christ after having an abortion. We have **Pro-Life Sermons** that you are welcome to use if you'd like to speak on the subject. Each of these is simply a way you might choose to get further involved. **All we ask is that you begin with that which is most important, prayer, for with Christ, all things are possible.**

Thank you for your time. May I pray with you for anything?
