Dear Brother Knights and Respect Life Members,

Never before in our nation's history has LIFE been under greater attack. I get messages daily from many many watchdog groups begging us to get involved in one campaign or another, ALL LEGITIMATE. But I do not pass these on for fear of crying wolf and losing your attention.

The 40 Days for Life Campaign is the MOST EFFECTIVE thing we can do today. Only Jesus and Mary have the power to save us from this onslaught.

PLEASE call Carol Marie and help her fill out her schedule with volunteers who will spend a coupla hours one night a month. If our Councils can help her with a few dollars, she can achieve all of her campaign objectives.

PLEASE discuss this Pro Life topic at your August meetings and join the 40 Days for Life Campaign.

Mark Foxwell
