Suggested Prayers to End Abortion

We offer these simple prayers as options for your use. Consider committing to saying one 40 times per day through-out the 40 day campaign. Pray constantly as you progress through your day.

- q May all women choose life, the choice you can live with for the rest of your life. May all who have chosen otherwise, be healed of their pain and suffering
- q God Almighty, please end abortion now and help me to know and do your will.
- q Jesus I trust in you to end abortion. Help me to know and do your will.
- q Immaculate Heart of Mary, I totally trust in you. Help us to know and do God's will so that abortion can be brought to an end.

Spend an Hour, Save a Life

When is the last time you've been given that offer? And yet, it could be just that simple, for we believe that through Christ all things are possible. Won't you join us for an hour of prayer to save a life and possibly a soul?

We will be holding prayer vigils at churches through-out the Reno-Tahoe region and at the sidewalk of the abortion site at 5915 Tyrone Rd., Reno for 40 Days. For more info., go to www.40DaysforLife.com/RenoTahoe.

If you or your church would like to participate, please contact us through our website, or call:

I _____
have/will pray(ed) for _____ hour(s)
on _____(date/time)

for the intention of stopping the killing of children in the womb. I know that with nearly 90 simultaneous campaigns, if Reno-Tahoe can each day enlist 48 different people to give one hour of prayer each, the national campaign will have enough prayer for each child killed by abortion in the United States during that day

I have named one child killed this hour:

- _____
- q I pray for all who are harmed by abortion, including the mother, the father, and all those involved in abortions, clinic workers, abortionists and family members and friends of the mother who facilitate her abortion.
 - q I pray that they all come to repent and be brought to know, love and follow Jesus Christ.
 - q I pray that their repentance result in their joining us in the effort to stop abortions.
 - q I pray for all mothers, that they know and love the child in their womb, from the moment of conception and that they have the courage to face any challenges associated with their pregnancy.
 - q I pray for all fathers, that they commit themselves to the raising of their children and the care for the mother of their children.
 - q I commit to fasting from _____ until day 40.
 - q I commit to continuing to pray for an end to abortion, especially during these 40 Days for Life. I will be praying at the following days and times:
