Thank you for joining us in this life-saving effort! Please remember that we are representatives of the Christian family, with the hope of ending abortion through the power and grace of God. It is imperative that we act peacefully at all times.

**Location:** Northern Illinois Women's Center (NIWC) ★ 1400 Broadway and 10<sup>th</sup> St.  
**Dates:** February 17th - March 28th, 2010  
**Time:** 6am - 6pm

**DATES/HOURS THAT I SIGNED UP FOR:** \_\_\_\_\_

We would like to make some suggestions for your safety:

- There should be at least 2 people in vigil together at all times. (Try to bring a friend)
- Please have your cell phone with you in case of emergency.
- Park on 10<sup>th</sup> St. or on Broadway. (Note time limit of 2 hours on Broadway)
- Pray on sidewalk next to the NIWC along the corner of Broadway & 10<sup>th</sup> St. or on Broadway to stay visible.
- **Stay on public property!** Do not cross onto the property of NIWC. Watch for marked yellow lines. Be aware that there are cameras and microphones all over the facility recording you. Pro-life counselors have been arrested for stepping over the property line.
- Make sure not to obstruct the sidewalk or driveway on the public right of way.
- Remember that you are in spiritual warfare while at the NIWC. Be constantly prayerful.
- Be Not Afraid!
- Vigil Signs will be available at the Labor News Monday – Friday 8 am - 5 pm to use and return.
