40 DAYS FOR LIFE™

This Lenten Season / Spring 2010 our community will be uniting with many other cities across North America and around the world for a massive coordinated pro-life mobilization – the **40 Days for Life** campaign. People of faith are praying that, with God's help, this effort will help bring an end to the tragedy of abortion. (This is the fourth campaign for the Sterling Heights community! Check out our website below for more information about our local involvement.)

40 Days for Life is a focused pro-life campaign that has generated measurable lifesaving results in hundreds of cities where it has been implemented. Some locations have reported as much as a 28% drop in local abortion numbers and hundreds of new people getting involved in local lifesaving ministry efforts. The **40 Days for Life** campaign is made up of three key components:

- **Prayer and Fasting:** inviting people of faith throughout our city to join together for 40 days of fervent prayer and fasting for an end to abortion
- **Peaceful Vigil:** standing for life during the 40 days as a peaceful, public witness outside the local abortion facility:

- **Community Outreach:** taking a positive, upbeat pro-life message to every corner of our city through media efforts, church presentations, petition drives, and public visibility
