## Prayer Ideas

1. Pray for the workers inside the Planned Parenthood office.
2. Pray for those who drive by that the message on our signs would help them understand the importance of protecting life and not ending it.
3. Pray for the women driving by who may have recently discovered they are pregnant and are considering their options.
4. Pray for the women and men who have already chosen abortion and are experiencing difficulties from that decision.
5. Pray for our nation's leaders that they would see that abortion is wrong and would work to change the laws that promote abortion.
6. Pray for the staff and volunteers at Heartline Pregnancy Center who work everyday with women who are experiencing difficult situations and need encouragement and support.
